# About US

The company was established in 2005 with a vision to manufacture & supply defect free sheet metal components to the leading OEM's. Mr. Premal Shah is a Production Engineer and has past experience in Tool Design from L&T, Powai.

Enduring with our vision, the company has grown continually over the years and has the potential and motivation to continue the trend.

We have In-house Tool Room for Die Manufacturing and Maintenance.

Apart from **Quality**, "Timely Delivery and Reasonable Price" are a few factors that differentiate us from our competitors. These could be easily achieved due to our innovative & state of the art "too designs" and trained Personnel. This fact is well proven by our delighted client base.

We Are **ISO 9001:2015** Quality Management System Certified Company

# Machinery

We have number of presses starting from 5 ton up to 35 ton. Listed below is a brief specification of the presses and other related machinery.

## Press Shop:

Type	SPM	Quantity (No.)
25 Ton <b>Ung geared High Speed</b> Pneumatic Press	Upto 600	1
35 Ton <b>Ung geared High Speed</b> Pneumatic Press	Upto 300	1
25 Ton <b>High Speed</b> Power Press	Upto 150	2
35 Ton <b>High Speed</b> Power Press	Upto 130	2
45Ton High speed power press	Upto 130	1
30 Ton Power Press		1
45 Ton Power press		1
20 Ton Power Press		1
10 Ton Power Press		2
5Ton Power Press		1
<b>Servo Feeder</b>		2
<b>Mechanical Feeder</b>		4
<b>Pneumatic Feeder</b>		5
Motorized De-coiler		3
Motorized Straightener cum De-coiler		6
Horizontal Motorized De-coiler		1
Motorized Re-coiler		3
Pneumatic Spot Welding M/c – 25Kv		1
<b>Pitch Controlled</b> Tapping M/c		2
Tapping M/c		8
Hand Press		20
Deburring Machine		1
Die loader		1
<b>Tool Room:</b>		
MNTR Milling 3 Axis with DRO – Taiwan Make		1
Surface Grinder GMT		6
Hydraulic Surface Grinder-Jones&Shipman		1
Punch Grinder		0.50 to 10mm
Punch Former		4mm to 20mm
Drilling Machine		5
Lathe		2

## Inspection Equipments

We ensure quality of our client's products through our processes. However, to confirm the quality we have the below mentioned inspection equipments.

Type	Quantity (No.)
Digital Vernier caliper	14
Dial Vernier caliper	3
Micrometer (Digital)	5
Micrometer 0 -25mm	3
Micrometer 25 -50mm	1
Digital Height Gauge	0 — 300mm
Torque Tester up to 6 N/m	1
Angle Measurement	1
Slip Gauge Set (83 pieces)	1 set
Pin Gauge Set (0.05 Step)	2 – 7mm
Feeler Gauge	1
Thread Plug Gauges	M2 to M10
Customized Gauges	As per Requirement
Visual Measuring Machines (VMM)	1

## Our People

Along with the clientele, we are also growing in size. Below is the list of people who are engaged with us.

Type	No
	.
Office Staff	5
Skilled Laborers	15
Unskilled laborers	30
Supervisor	6
Quality Inspectors	3
